SEO Leader | In-House Organic Acquisition Specialist | London based

victoriayap.com | 07447826688 | victoriayap23@gmail.com | [LinkedIn](#)

Executive Summary

Strategic SEO Leader with 7+ years building and scaling organic acquisition functions from zero for fintech and professional services firms. Proven track record of delivering board-level revenue impact; generating £2.6M+ in attributed revenue, 300% traffic growth, and dominant market positions across competitive regulated verticals, including financial services and law.

Experienced across the full SEO stack: technical infrastructure, content architecture, AEO/GEO, off-page acquisition, and CRO. Commercial fluency to own strategy, manage budgets, and report directly to senior leadership. Agency background across FTSE 250 and high-net-worth clients provides breadth of industry exposure alongside deep in-house execution experience. Multilingual across English, Mandarin, Cantonese, and Japanese; experienced in financial services.

Core SEO Stack

- **Organic-Led Growth:** Designing and executing SEO strategies that deliver measurable commercial outcomes — from zero to dominant market positions in competitive, regulated verticals including fintech, financial services, and law.
- **Full-Stack SEO Leadership:** Owning the complete SEO function end-to-end: technical audits, site architecture, cross-platform content strategy, and off-page acquisition, with direct developer collaboration and budget accountability.
- **AEO, GEO & Emerging Search:** Achieving consistent placement in Google AI Overviews and LLM recommendations ahead of broader market adoption.
- **Commercial Fluency & Stakeholder Reporting:** Translating SEO performance into revenue attribution, lead generation for board-level stakeholders; owning strategy sign-off and budget management.

Recent Work Experience

Head of SEO & Content Production

Carmoola, London (Fintech start-up)

May 2025 - Present

- **Revenue Attribution:** Drove [£2.6M in SEO-attributed loan interest revenue](#) (any-touch) and £1.7M on a first-touch basis within 10 months, representing +120% and +174% YoY growth.
- **Organic Visibility:** Grew clicks +85% (+33.8K) and impressions +74% (+8.4M) YoY, securing #1 for "car finance London" and consistent placement in Google AI Overviews through AEO and GEO optimisation.
- **AI-Powered Scaling:** Architected a node-based AI content workflow that scaled production and eliminated £35K/year in external costs.
- **Agency Elimination:** Replaced a £7.5K/month agency by engineering an in-house per-ad message-matching CRO workflow, saving £90K/year with zero loss in output quality.
- **CRO Ownership:** Owned the full CRO roadmap and ran A/B tests independently, ensuring top-of-funnel acquisition converted more effectively.
- **Strategy & Budget:** Built the company's SEO strategy and managed the budget
